# Malvasia Dolce

**Lo Duca Malvasia Dolce IGT** is a sweet sparkling wine by Lo Duca Brothers. This white wine is effervescent with refined personality and character. It is produced from the choicest Malvasia grapes from Emilia Romagna, Northern Italy. It is a low alcohol option with a soft, refreshing flowery bouquet and a well-balanced natural sweetness of grapes. Serve chilled. In America this grape is a little more rare. It is recently used as a desert or a chilled drink on its own. It is a beautiful fun alternative, and hidden gem of Northern Italy. If you can find it, take it home!
